

Private Group Sessions

Updated 8/16/10

"Art, Courage & Creativity"

THE ORIGINAL WORKSHOP with Karen Leeds

Private group sessions can be conveniently scheduled at Karen's studio or at your personal residence or work place. Like the other studio sessions, oil pastel and paper are used to identify and overcome inhibitions that limit people in a more intimate and informal setting amongst family, friends or colleagues. Sessions are relaxing and fun. These are excellent team-building experiences as well as a unique social event to host in your home or office. ([Event planners, click here](#)).

Private sessions in homes are often paired with cocktails and snacks by the host or hostess. They usually run around 3 hours (but if off site, allow at least ½ hour before and after, for set up and tear down). Karen brings all the art supplies, and can also provide seating and tables for up to 9 people if desired.
